# CORPORATE HISTORY

- M-Forces Security Sdn Bhd (“M-Forces”) is incorporated under the Companies Act on 21<sup>st</sup> January 2011.

---
- The company’s founder and its Chairman, proof that our core values still endures today and having identified a gap in the market, formed this company to assist the country in providing additional security services.

---
- M-Forces is providing (locals and Nepalese) physical guarding services to the ever growing industrialization of the nation and working with blue-chip clients.

---
- We strongly believe M-Forces will be quickly earned a reputation for the professionalism of its quality services and supported by its highly skilled management team.

---
- Having our main Operations Office in the booming Cheras Selangor, M-Forces will develop from a manned guarding business to a total high-tech security solution provider.

---
- We are looking seriously to build a nationwide presence and will be operating in a wide range of industry sectors, providing reliability, flexibility and innovation to the growing portfolio of services.

---

# CORPORATE PHILOSOPHY

**M-FORCES SECURITY SDN BHD recognizes the importance of customer service and convenience in today's marketplace. So we are customising our security guard services to accommodate the various needs of our clients. Some of the advantages of choosing M-FORCES include:**

- Static Guard available 24/7, to schedule emergency guard services

---

- 1 hour or less response time

---

- Lesser terms and conditions required

---

- Nationwide network of security companies

---

- Flexible and reliable to meet all customers' needs

---

- Fully Insured

---

- Quality and reliability are absolutely imperative for a security company to be considered as part of the M-Forces nationwide network. We recognize that our clients are paying for a superior service. For their peace-of-mind and return business we need to provide them with that superior service each and every time. This is our commitment to our clients.

# MOBILE PATROLS

- As crime prevention is our priority, we're also quick to respond. M-Forces will be working in a number of ways. Assigned to your premises and their surroundings, routines will keep regular checks on even the most remote corners where trouble can lurk. We'll devise random rotas, too, just to keep unwelcomed visitors on their toes.
- The other way our Mobile Patrols operate is to provide a flexible, cost-effective solution to your security needs. On foot, by car, our security services can call on your premises day or night. Where hiring your own dedicated team is not an option, our Mobile Patrols provide an affordable alternative.

# CONTROL MONITORING SYSTEM & CCTV

- Our Security Officers will be closely supervised and ably supported by their Team Leaders and Managers. Together, they have the kind of local knowledge and on-site training that will keep them a step ahead, whatever the threat.

---

- This state-of-the-art nerve centre is at the forefront of CCTV technology, supporting Static Officers and Mobile Patrols in the field, keeping check on Lone Workers in isolated and often demanding workplaces – indoors and outdoors. Ready for the unexpected, they're also just a phone call away from our most senior managers, ready to handle any crisis.

---
